

# Things to **Revise** for...

1. Missing or incorrect commas
  - a) Commas after subordinate clauses
  - b) Commas after introductory phrases in a sentence
  - c) Comma before a quote, “like this” (citation).
2. Correct MLA in-text citations
3. Remove informal writing and clichés
4. Remove contractions (didn't → did not)
5. Make sure your analysis proves your topic sentence and thesis
6. Avoid confusing sentences – revise to remove vague pronouns and words. Remove unnecessary words/ideas
